

Action Plan

Outdoor Enhancement

Vision for Outdoor Enhancement - Related Projects:

Louisville will have more inclusive, accessible spaces that promote safety, engagement, and well-being for all ages. This includes enhancing green areas with access, seating, and accommodations to support inclusive community gatherings. The focus on beautification will foster welcoming, enjoyable environments.

DOMAINS

O&A-Related Projects:

Primary

Secondary

Goal 1: Enhance walkability and accessibility in targeted Louisville area(s).
